\*After the printing of the 2013 Data Book, FHSU discovered a reporting error which changed their total for educational costs in FY 2012. FHSU's percentage for FY 2012 has been updated to reflect this correction.

NOTE: Compiled from Tuition revenues as a percentage of Education costs, defined as: General Use expenditures for Instruction, Academic Support, Student Services, Institutional Support, Scholarships, and Physical Plant.

This is the traditional "Kansas Fee to Cost Ratio" which has been measured in this manner since 1966.
