The tuition and campus fee deferment will be applied to the student's account when the term enrollment is certified to the VA. The student veteran may pay his/her tuition and fees in three installments, two installments for the summer term. The installment amounts are based upon the amount of tuition, divided in thirds (halves for the summer semester). Payment of the first installment is required by October 15 for the fall semester, March 15 for the spring semester and July 15 for the summer semester. Payment of the second installment is due November 15 for the fall semester, April 15 for the spring semester and August 15 for the summer session. Payment of the third installment is required by December 15 for the fall semester and May 15 for the spring semester. If the final installment (third for fall/spring and second for summer) is not paid by the due date, a past due balance hold will be placed on the student veteran's account. Exceptions may be approved in accordance with guidelines announced by the Provost.

No additional campus fees shall be assessed for the summer semester.

Per credit hour rate for Summer 2011:

Students That Matriculated in the MD Classes of 2009

First and second year students will be assessed for two years of tuition and fees with four semiannual assessments unless the student must repeat a completed course. When a required course(s) is/are repeated during a fall or spring semester, a full semiannual tuition and fee assessment will result for the additional semester(s) the course(s) is/are taken. Remedial work (enrollment in IDSP 801) assigned by the School of Medicine Academic Committee will be charged at the semiannual rate.

Phase One students who extend their basic science curriculum beyond the normal two years will be assessed for each semester regardless of the credit hour load. Students enrolled in IDSP 805 Enrichment Program, after the successful completion of the first two years, will be charged regular medical student tuition and fees. Each semester of tuition paid by a student, only enrolled in IDSP 805, will be applied toward one of the four semesters of tuition

A student who has paid tuition and fees at the time he/she is placed on Leave of Absence (LOA) by the School of Medicine will have these tuition and fees applied to a future semester of enrollment. If a student does not return from LOA, tuition and fees are not refunded unless the student requests a refund based on the Refund Adjustment policy. The refund request must be made by the student during the semester that the LOA begins. Refunds will be based on the LOA effective date and no refunds will be given after the semester that the LOA started.

*Students accepted into the official MD/Ph.D.combined-degree Program will be assessed graduate tuition and fees according to their hours of enrollment during each term (semester/summer session) of their "graduate student" enrollment phase. They will be subject to the graduate school calendar (i.e. refunds, drops, adds). During the two clinical science years of the Program. MD-Ph.D students will be assessed medical school annual tuition and fees. If a student withdraws or is separated from the program, the student shall pay to the University the total amount of tuition plus interest charges that the student otherwise would have paid as outlined in the student's MD-PhD Discontinuation Agreement. Long-term Disability Insurance coverage is required of all Medical students and is not included in the total fees (see paragraph 45).

Four year medical students, including MD/PhD. students in their third and fourth year will be assessed for two years of tuition and fees with four semiannual assessments unless the student must repeat a module(s). Students enrolling in elective or required modules after May of the graduate year and/or after module(s) is/are repeated, a charge at the modular rate will result for each additional month repeated. "Per clinical hour" shall be defined by dividing the 4-week modular rate by four. One fourth of that modular rate shall equal each one clinical credit hour of medical courses charged for each credit hour the student is enrolled.

Guiding Principles:

- In short-term classes, students will have the first class period to determine if the class is suited for them. Students who register late or fail to attend the first class period in short term classes will not be eligible for 100% refunds according to the policy.
- For classes that begin at times other than the regular term semester, the “first class day” refers to the first day of the part of term as defined by the department and Registrar’s Office; thereafter, the “day” refers to the business day.
- If a short term class begins on Friday night, Saturday or Sunday, the student will have until the end of the first business day to drop the course. In order to receive a 100% refund for the class, the student must provide documentation that he/she did not attend more than four hours of the class.

Guiding Principles (cont.):

- No one other than the Financial Operations and Business Technology Office or the Tuition Refund Board of Appeals is authorized to determine the amount of tuition refund a student will receive.

Exceptions to the Refund Policy:

- Students who, because of extenuating circumstances, seek a higher refund than is available by policy, must petition the Tuition Refund Board of Appeals. Petition forms are available at the Financial Operations and Business Technology Office. The Petition must be filed with the appropriate documentation. A Petition for Tuition Refund beyond the Policy must be filed at the Financial Operations and Business Technology Office within the semester the course was taken.
- Students who may have received approval from the University Exceptions Committee for a late withdrawal from a previous semester are not eligible by policy for a tuition refund. These are separate issues and decisions.

Federal regulations may require students attending the University for the first time and receiving student financial aid (grants, loans, or work assistance) under Title IV or whose parent(s) receive(s) a loan under Title IV on behalf of the students who withdraw fully from the University will be subject to a different refund policy. Contact the Financial Operations and Business Technology Office for details.

Military Refund Policy

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's nonmilitary refund policy. Room and board charges will be prorated to the extent that services have been provided.

TUITION POLICY FOR POST-BACCALAUREATE STUDENTS

Degree Program students and Certificate Seeking students

Post-baccalaureate students seeking graduate degrees pay graduate tuition rates. All tuition and fee charges listed on Page 1 will apply to this group of students.

Enrichment Program students (Licensure or Non-Degree Seeking)

Post-baccalaureate students who are not in a degree seeking program may apply through the Graduate application process for consideration of undergraduate tuition for courses numbered 100 – 499. Courses numbered 500 and above will be charged at the graduate rates. The full-time tuition rate in the Fall and Spring semesters does not apply to these students. All courses are charged by the credit hour regardless of the number of enrolled hours.

TUITION POLICY FOR UNDERGRADUATE STUDENTS RECEIVING GRADUATE CREDIT

An undergraduate student may apply a maximum of 12 hours of credit earned in courses numbered 500-699 to a degree program.

Approval of the graduate dean prior to enrollment is required to receive graduate credit for those courses. The graduate faculty of each department determines whether graduate courses previously taken are appropriate for a given graduate degree program.

Undergraduate students receiving graduate credit for graduate level courses will pay graduate fees.

GRADUATE TEACHING ASSISTANTS AND GRADUATE RESEARCH ASSISTANTS

Applicable tuition is waived for graduate teaching and graduate research assistants if working 20 hours per week. Students will be responsible for campus privilege fees. CONTRACTS AND COMPENSATORY CHARGES

This schedule does not limit the charges which may be collected under arrangements with other governmental or private agencies except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized. No tuition is charged to students enrolled in programs for which the entire cost is financed by governmental or private agencies. Students taking such courses on campus must pay all required campus privilege fees.

KANSAS TEACHER OF THE YEAR TUITION WAIVER

Tuition will be waived for up to nine hours annually for any past or present Kansas Teacher of the Year. To be eligible, a person must be a past or present recipient of the award under the program administered by the Kansas Department of Education and be employed as a teacher in an educational institution accredited by the Kansas Department of Education.

FEE WAIVER FOR PERSONS AGE 60 OR OVER

Residents of Kansas who are 60 years of age or over may take courses at the University without paying the regular fee. A course taken free cannot be counted toward a degree. The person will be considered an auditor in the class, and admission to the class will be by permission of the instructor and only if space is available. Interested individuals should consult with the Registrar or the Director of Admissions.

EXTENDED PAYMENT AGREEMENT

The University makes available an Extended Payment Agreement for account balances. Under this plan, students make a \$150 account payment by the Friday before classes begin. This down payment, which can include financial aid, will retain the student's class schedule. If a student can not pay the account balance in full by the first day of class, a \$50 administrative fee will be applied to the account for an automatic payment extension of 25 calendar days. If charges are not paid on or before the first extension, an additional \$50 administrative fee will be automatically applied for an additional 25 calendar day extension. Any account balance remaining after the second payment extension is considered past due. A late fee of \$25 will be assessed each month the balance remains outstanding. An Extended Payment Agreement can be completed in person or obtained on-line at <http://www.emporia.edu/busaff>. The form must be completed and returned along with payment to the Office of Cashiering Services prior to the Friday before classes begin.

In the summer, the University requires that students pay all charges in full prior to the first day of class. An Extended Payment Agreement is available; additional fees apply. For up-to-date payment policies for summer 2011, please refer to the Business Affairs website, <http://www.emporia.edu/busaff>.

RESIDENCE HALL EXTENDED PAYMENT AGREEMENT

Room and board charges are due and payable at the beginning of each semester. If a student is unable to pay their account balance in full at the beginning of the semester, they may enter into the Extended Payment Agreement. Under this plan, students make a \$150 account payment by the Friday before classes begin in order to retain class schedule. If a student can not pay the account balance in full by the first day of class, a \$50 administrative fee is applied for an automatic payment extension. If charges are not paid on or before the extended due date, an additional \$50 administrative fee will be added to the account to automatically extend the payment due date. All account balances are considered past due after the second payment extension due date. Holds will be placed on any account with a balance after the final payment extension due date. A late fee of \$25 will be assessed each month the balance remains outstanding. An Extended Payment Agreement can be completed in person or obtained on-line at <http://www.emporia.edu/busaff>. The form must be completed and returned with payment to the Office of Cashiering Services prior to the Friday before classes begin.

REFUND POLICIES

General Refund Policy

The refund policy shall apply to fall and spring semesters. Classes meeting for periods shorter than a semester will have refunds prorated accordingly. Refund dates shall be based on (class) days including registration, examinations and commencement. Special fees as listed in the fee schedule and fees for private lessons are non-refundable.

1. A student who withdraws during the first week of the semester will be refunded, upon application, all their fees, except those fees listed in the fee schedule as non-refundable.
2. A student who withdraws after the first week but during the first one-third of a semester will be refunded upon application, one-half of their fees, except those fees listed in the fee schedule as non-refundable.
3. A student who withdraws after the first one-third of a semester is not entitled to any refund.
4. Students must withdraw through the Registrar's Office. Withdrawals must be processed by several offices before refunds can be processed by the University Cashier's Office; therefore, students should expect a delay of three weeks.
5. An appeals process is available to the student who feels their situation warrants an exception from the stated fee refund policy. Students should direct written appeals to the University Registrar. The Petition for Refund form can be found on the Registrar's web page at <http://www.pittstate.edu/office/registrar/forms.dot>.
6. No refund will be given for short courses (1-2 days) or travel courses once the program has begun.

In the event that PSU is responsible for a fee assessment or calculation error, the error will be corrected.

AUDITING OF COURSES

Each auditor must have a permit to audit provided by University Registrar and authorized by the course instructor. A permit may be issued to regularly enrolled students, as well as students enrolled to audit only. Auditors will be charged a \$1.00 per credit hour fee when the permit is issued. This fee is not refundable. Persons over 60 years of age may audit, on a space available basis at no charge. All persons who audit courses are admitted as listeners only and are not entitled to participate in class activities except as listeners. No transcript or record is made of audit enrollments.

Courses offered by Continuing Studies are not offered for auditing purposes.

REFUND POLICIES

Military Tuition Refund Policy

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

Title IV Recipient Refund Policies

Students need to be cautioned under this new policy. Students who totally withdraw after receiving Title IV assistance in many cases will have to repay a portion of the funds received. The Financial Aid Office recalculates federal* financial aid eligibility for students who withdraw, drop out, or are dismissed prior to completing 60% of a semester. Recalculation is based on the percent of earned aid using the following formula:

Percent earned = Number of days completed up to the withdrawal date** divided by total days in the semester.

Federal financial aid is returned to the federal government based on the percent of unearned aid using the following formula:

Aid to be returned = (100% - percent earned above) times the amount of aid disbursed toward institutional charges. Institutional charges are: tuition, fees, on-campus room and board.

When aid is returned, the student may owe a debit balance to the University and/or the Department of Education Title IV Programs. If a student owes a debit balance to the Department of Education, payment arrangements will have to be made directly with that federal agency.

*Federal financial aid includes the Federal Pell Grant, Academic Competitiveness Grant, SEOG Grant, SMART Grant, TEACH Grant, Perkins Loan, Direct Student Loan, and PLUS Loan.

**Withdrawal Date is defined as the actual date the student began the institution's withdrawal process through the Registrar's Office, the student's last date of recorded attendance, or the midpoint of the semester for a student who leaves without notifying the institution.

YELLOW RIBBON PROGRAM FOR NON-RESIDENT VETERANS

The Post-9/11 GI Bill pays up to the highest public in-state undergraduate tuition and fees. Eligible students for the Yellow Ribbon Program would also receive additional assistance from the Veterans Administration (VA) and Pittsburg State University which would pay the difference in tuition to cover out-of-state tuition rates. Institutions voluntarily enter into a Yellow Ribbon Agreement with VA and choose the amount of tuition and fees that will be contributed. VA will match that amount and issue payment directly to the institution. Only individuals entitled to the maximum benefit rate (based on service requirements) may receive this funding. Therefore, to be eligible:

- * Veteran must have served an aggregate period of active duty after September 10, 2001, of at least 36 months;
- * Veteran must be honorably discharged from active duty for a service connected disability and served 30 continuous days after September 10, 2001;
- * Student is a dependent of a veteran eligible for Transfer of Entitlement under the Post-9/11 GI Bill based on a veteran's service under the eligibility criteria listed above.

For a dependent of an eligible employee to qualify the dependent must meet the eligibility requirements approved by the Kansas Board of Regents at the May 2006 meeting. The amount of tuition waived is determined based on the eligible employee's length of service.

KANSAS FOSTER CHILD EDUCATIONAL ASSISTANCE ACT

The purpose of this act is to establish an educational assistance program under which payment of tuition and required fees charged to eligible foster children shall be waived (see Senate Bill 85 or inquire at the Registrar's Office to determine eligibility). A tuition and required fee waiver would be provided for the undergraduate enrollment of an eligible foster child, through the semester or until attaining the age of 23, who enrolls in a Kansas educational institution on or after July 1, 2006.

To remain eligible for participation in the program, an eligible foster child shall remain in good standing at the Kansas educational institution where the eligible foster child is enrolled and shall make satisfactory progress toward completion of the requirements of the educational program in which they are enrolled. FEE RATE EXCEPTIONS

Staff and Faculty. Tuition Assistance is provided for employees, their spouses and dependents based on length of service and approved Board of Regents eligibility criteria.

Students 60 Years of Age or Older. In accordance with the Kansas Board of Regents policy, students who are 60 years of age or older may enroll as auditors (noncredit) in any academic credit course in which space is available without paying tuition and fees.

Return of Title IV Funds for Financial Aid Recipients

Return of Title IV Funds policy.* Using the last date of attendance, the percentage of payment period the student attended will be used to determine the amount of Title IV aid earned by the institution and by the student. The institution will return unearned Title IV funds that had been originally applied to institutional charges to the appropriate federal programs. The student will be responsible for return of unearned Title IV funds that had been originally disbursed directly to him/her. The institutional charges no longer covered by financial aid funds will be reinstated and the student will be responsible for immediate payment of any balance owed.

**Based on the most current federal return of Title IV policy. Changes mandated by the Department of Education will be implemented.*

Military Refund Policy. Students serving in the National Guard Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

CONTRACTS AND COMPENSATORY CHARGES

This schedule does not limit the charges that may be collected under arrangements with other governmental or private agencies. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized.

REFUNDS-CHANGE OF PROGRAM

Payment of Fees. Fees for a semester or term are payable at the time of enrollment for a semester or term. Students may use a check, money order, University Card, or VISA/MasterCard/Discovery/American Express for the exact amount of fees. Students who add classes after the start of the semester must remit payment when adding the class.

Refunds. (Total Withdrawal from University). To officially withdraw from University coursework and to be eligible for a refund, a student must submit a request for a schedule drop through TigerEnroll within the scheduled dates of the authorized refund period.
