Note:

Table 2.2 identifies tuition charged of both undergraduates and graduates for state universities.

It also identifies both tuition and required fees being charged at each institution.

In addition to tuition, each institution has certain fees mandatorily charged of each student.

These fees finance a variety of items including student activities, student health services, and the cost of student unions.

Budgetarily, a major difference is that tuition is part of the General Use budget and fees are a part of the Restricted Use budget.

When making national comparisons of student charges, it is necessary to compare combined tuition and required fees.
